

## INSTRUCTIONS FOR USE

**To convert £. s. d. to Dollars and Cents:** Reading from the outer circle towards the centre, align the amount of £. s. d. you wish to convert (black figures) then turn the arrow on the centre disc to the segment so aligned. The opposite arrow on the centre disc will then indicate in red figures the official equivalent in Dollars and Cents. To convert Dollars and Cents to £. s. d. reverse the procedure.

**To convert amounts larger than those shown on the computer:** Remember  $\text{£}1 = 2 \text{ Dollars}$ . Multiply the £'s by 2 and use the computer to convert the odd shillings and pence. Divide Dollars by 2 to get £'s and use the computer to convert the odd cents to shillings and pence.
